

Box Amount Reservation

Dear XXX (can we automate the name) or do we have to put "customer?",

Please follow the link provided below to reserve the amount for your Mr. Draper package. This is required prior to shipping the package. Please remember that this is simply a hold and not a charge to your credit card – similar process to hotels and car rental companies.

Once the package is returned to us, we will release the hold and only charge you for the items you keep, if any.
